

WE'RE WITH YOU EVERY STEP OF THE WAY

DEDICATED NATIONAL ACCOUNT PROGRAM

We help you avoid the frustration and lost time in dealing with various customer service representatives. At Ahern Rentals, we manage all of your equipment needs nationwide easily and quickly, under one National Account Program custom tailored to your company's needs.

24/7 CUSTOMER SERVICE CENTER

We are open whenever you need us. Call or email our team anytime with:

- Questions
- Equipment specification inquiries
- Equipment rental requests
- Service calls & requests
- Rental terminations

All customers have access to our dedicated National Account hotline, plus a personalized company e-mail address for a fast response.

CUSTOMIZED RENTAL PACKAGES

We are experienced in supporting customers with large projects. With our flexible approach, we can tailor your rental package to suit your exact needs and budget.

ACCESS TO OUR ENTIRE INVENTORY

Our National Accounts customers benefit from Ahern Rentals' floating fleet, providing access to over 67,000 units in our inventory. Your national account manager will help you mobilize whatever you need – including pump, power, and trench – to wherever you need it.

ON-SITE RENTAL YARD

When you need immediate access to your equipment, plus support on your project, we can set up an on-site rental yard to help keep your job on schedule & on budget.

MANAGE YOUR ACCOUNT ONLINE

Quickly access your account online through our customer portal at www.ahernaccess.com

- View open and completed contracts
- Get quotes for equipment
- Call off equipment
- Track job costs and monthly billing

AHERN RENTALS NATIONAL ACCOUNTS

Dedicated to providing a single source solution for all of your rental requirements nationwide.

With nationwide coverage, Ahern Rentals National Accounts is your ideal partner for handling all of your project rental equipment needs. We offer a diverse inventory of available equipment including high reach, material handling, trucks & trailers, earth moving, generators, compressors, light towers, and more.

AHERN ACCESS FLEET MANAGER – TELEMATICS/GPS TRACKING

Ahern Access Fleet Manager is your solution to getting the most from your equipment rentals. Track your rentals and utilize Telematics to understand where and how your Ahern Rentals equipment is being used.

- Locate Your Equipment on the Map
- Track Equipment Usage
- Geo-fence Your Jobsite Perimeter
- View Rental Contract Status

SAFETY FIRST CULTURE

We offer training to show how to correctly and safely use all of the equipment you rent or purchase from us. We also invest heavily in keeping our rental fleet in optimum condition. We employ highly trained, certified technicians at all of our locations to service and maintain all of our rental equipment to the highest standards, either in our own workshops or on the jobsite.

IN-HOUSE FINANCING

We proudly offer a range of financing options to our customers through our affiliate, Xtreme Financial Services. Financing can be used for both the rental and purchase of equipment, as well as investments in spare parts, computer systems and facilities.

HIGH QUALITY USED EQUIPMENT

A great option for customers interested in purchasing equipment. Ahern Rentals offers a large selection of late model, high quality, used equipment for purchase.

THE AHERN DIFFERENCE

Since 1953, Ahern Rentals has consistently provided customer focused solutions that work.

Headquartered in Las Vegas, Nevada, Ahern Rentals is proud to be the nation's largest independently owned rental company, with over 125 locations across the country.

A family-owned business, Ahern Rentals is committed to building relationships and takes tremendous pride in listening and responding to the needs of their customers. It's how it all began in 1953, and how it continues today.

Ahern Rentals provides equipment from all leading equipment manufacturers, including Xtreme Manufacturing, Snorkel, JLG, Genie, Kubota, John Deere, Caterpillar, and more. Contact us today, to see what the Ahern difference can do for you.
